

# *The Food that You Love*

Roquette can help you give consumers the food they want and feel good about: not just tasty but nutritious and friendly too.

We can help you meet all of those demands - globally!

Our ingredients are not only high-quality, they're completely plant-based.

**NUTRITIONAL & TECHNOLOGICAL  
FOOD SOLUTIONS**

**ROQUETTE**  
*Offering the best of nature™*

## NUTRITION

**Sugars reduction, low glycaemic response, sustained energy release**

Polyols (liquid and powder), Soluble Fibers

**Fat reduction,**

Starches, Maltodextrins

**Weight Management**

Plant Proteins

**Protein enrichment**

Plant Proteins (pea, wheat)

**Source of carbohydrates**

Maltodextrins, Glucose syrups, Dextrose, Dextrins

**Diet for food intolerances**

Gluten-free Starches, Pea Proteins, Glucono Delta Lactone, Fibers (soluble and insoluble)

**Oral Health**

Polyols (liquid and powder), Soluble Fibers

**Fiber enrichment**

Fibers (soluble and insoluble)

**Gut health, Prebiotic effect**

Soluble Fibers

## TECHNOLOGY

**Sustainable and Economical alternatives to dairy and meat proteins, egg, gelatin and gum arabic**

Plant Proteins, Insoluble Fibers, Starches

**Texturizing solutions**

Starches, Maltodextrins, Glucose syrups, Polyols, Plant Proteins, Insoluble Fibers

**Higher yields**

Insoluble Fibers, Plant Proteins, Polyols XTAB, Glucono Delta Lactone

**Sweeteners**

Glucose syrups, Dextroses, Polyols

**Shelf life improvement**

Starches, Sorbitol, Glucose syrups

**Emulsifying solutions**

Starches, Pea Proteins

**Acidification**

Glucono Delta Lactone

## PRODUCTS AND BRANDS

**Plant Proteins**

NUTRALYS® pea protein, NUTRALYS® textured plant protein, NUTRALYS® wheat protein, VITEN® wheat gluten

**Fibers**

NUTRIOSE® soluble fiber, PEA FIBER I50M insoluble fiber

**Starches**

CLEARAM® (cook up), PREGEFLO® (pregelatinized), CLEARGUM® (thin-boiling or OSA), TACKIDEX® (dextrin) Functional and Clean label starches

**Carbohydrates**

GLUCIDEX® maltodextrin, Glucose syrups, Dextrose

**Polyols**

NEOSORB® sorbitol, SweetPearl® maltitol, XYLISORB® xylitol, LYCASIN® maltitol syrup, Mannitol, POLYOLS XTAB

Others :Glucono Delta Lactone Cellulose

## + UNEQUALLED EXPERTISE!

**Application**

Formulations, Innovation, Trouble-shooting, Technical training

**Analytical**

Physical and chemical analysis, Microscopy, Rheology, Sensory panel

**Nutrition**

Nutritional information, Clinical study, protocolos advice or collaboration

**Regulatory**

Local regulation, Monitoring, Expertise on claims (health, functional, nutritional)

**Marketing**

Market trends, Consumer studies, Concept proposals

**Engineering**

Design and creation of storage or product transfer installation

**Logistics**

Flexible flow Management solutions
